

When we encounter the Holy Spirit, something changes.

**BIG IDEA**

The Holy Spirit is God’s personal presence with us, transforming us, guiding us, and producing fruit in our lives as we learn to deeply know Him.

**ICE BREAKER**

1. Have you ever felt prompted to do something you couldn’t fully explain?
2. When you hear the words, “Holy Spirit”, what comes to mind?
3. What’s one relationship in your life where you have learned someone’s voice well?

**MAIN POINTS**

The Holy Spirit has been present from the very beginning and continues to work in and through our lives today. The same Spirit that empowered Jesus and raised Him from the dead now lives in believers and transforms us from the inside out. Transformation is often a process as we learn to recognize and follow the voice of the Holy Spirit daily. God desires more than knowledge about Him, He invites us into a deep relationship and daily dependence on Him.

“Yada is a deep deep knowing we have a God who doesn’t want you to know about His love, He wants you to feel His love.” - Pastor DJ

**DISCUSS**

1. Why do you think it can sometimes be difficult to recognize the Holy Spirit’s voice?
2. Which fruit of the Spirit do you most want God to grow in your life right now?
3. What does it look like to truly “know” God beyond just knowing about Him?
4. How might your life change if you became more aware of the Holy Spirit’s presence daily?

**NEXT STEP**
