

Some Good News To Share

BIG IDEA

Good news is never better than when you're overwhelmed with bad news.

ICE BREAKER

What's one piece of *good news*—big or small—that encouraged you during a difficult season?

MAIN POINTS

- **Desperation exposes our limits**  
When we feel helpless, we quickly feel hopeless.
- **God works before we see it**  
Deliverance begins with God, not us.
- **Good news is meant to be shared**  
God's provision is never meant to stop with us.
- **The Gospel is ultimate good news**  
Jesus has overcome sin, death, and despair

DISCUSS

1. Where do you see parallels between Samaria's desperation and our world today?
2. Why does God sometimes allow situations to reach the point of helplessness?
3. What "abundance" has God given you that could bless others?
4. Why is it tempting to keep good news to ourselves?
5. How does the Gospel help you face overwhelming bad news?

NEXT STEP

Pray- Ask God for trust in overwhelming circumstances, eyes to see where He is already at work, and courage to share the good news we've received.

SCRIPTURE
