

Kingdom Rise

Leader Overview

Welcome

It's time to rescue "worship" from the misconception that worship only happens when we sing to God on Sunday mornings. This four-week study will introduce you to a lifestyle of worship that has the potential to transform our minds and call us to higher engagement with our Creator and King.

Series Overview

Week 1: What is Our Story? - *Sometimes the focus of our worship can get off track. Session 1 of this series reminds us about **who** we are really worshiping, and why it is important to seek God's perspective.*

Week 2: What is Worship? - *Worship does include singing songs to God, but it is so much more. When we begin to see ourselves as worshippers in everyday life, we learn to discern the difference between true worship and idolatry.*

Week 3: We are Worship - *When we truly worship God, we begin to care about the things He cares about. Move beyond rituals into a lifestyle of worship that seeks and obeys Jesus.*

Week 4: Life Before Death: Kingdom Living - *Living for our King is the highest form of worship, and he has invited us to partner with him in bringing the Kingdom from heaven to earth!*

Discipleship Insights

- Ask your group to commit to attending weekend services together for the duration of the study. Doing so will provide you more opportunities to talk about what you are learning and will further instill "Gather to Grow" as a Mark of Ownership in your group!
- Worshipping through song as a Life Group could be a powerful way to end your study time each night. Below are some recommended hymns and songs that correspond to the topic of study each week:
 - Week 1: [All Creatures of Our God and King](#), [Vapor](#)
 - Week 2: [Cornerstone](#), [Come Thou Fount of Every Blessing](#)
 - Week 3: [Hosanna](#), [When I Survey the Wondrous Cross](#)
 - Week 4: [Let There Be Light](#), [Be Thou My Vision](#)
